

PREVENTION EDUCATION

FREE TRAINING AVAILABLE

Recognizing and Reporting

Topics include myths and facts about child abuse, recognizing signs and symptoms of abuse, and mandated reporting laws. This training equips adults with best practices in responding to disclosures of child abuse.

Customized Information Sessions

Interactive presentations with Q & A for groups of parents, caregivers and adolescents about child sexual abuse prevention.

Darkness to Light

Stewards of Children: an educational program for adults in the community to increase knowledge and awareness about sexual abuse.

Community Outreach

We provide child abuse prevention materials to health fairs, pediatrician offices, schools, and any venue where children are being served.

OUR MISSION

To empower children and families to heal from the trauma of abuse and violence through community partnerships, education and the pursuit of justice.

ABOUT US

Based upon a national, child-focused, evidence-based model, a multi-disciplinary response to allegations and disclosures of sexual abuse, severe physical abuse, and witness to violence to children and intellectually disabled adults.

DIRECT SERVICES INCLUDE:

- Forensic interviews
- Health exams and consultations
- Victim and family advocacy
- Referrals to mental health clinicians
- Community support services

EDUCATION & OUTREACH PROGRAM

The Children's Advocacy Center or Bristol County is committed to providing child abuse education and prevention programs throughout Bristol County in order to create an informed and aware community.

Our education and outreach program aims to spread awareness and prevention to parenting adults, educators, and anyone working with youth. Multi-lingual material is available that addresses caretaker choices, technology safety, sexual coercion, body safety and the prevention of child abuse.
