

April is National Child Abuse & Sexual Assault Prevention Month
The Children's Advocacy Center of Bristol County is
proud to present this community event

Keep your children safe.

All adults must be informed and take an active role in keeping children safe from child sexual abuse. This **FREE** workshop includes information about offender grooming behavior, internet crimes, victim advocacy, reporting, sexual behavior between children and talking to children about child sexual abuse.

With more than 30 years of experience working directly with with sex offenders, Cory Jewell Jensen is an expert in educating caregivers about how the mind of a sex offender works, helping them to better protect their children.
